

Overview SMART Centres

A SMART Centre is part of, connected to a host organisation like an NGO or Governmental institute. Currently there are 4 SMART centres and 6 Centres, organisations that requested to become member of the SMART Centre Group. To become member of the group conditions apply. See document on membership.

SMART Centres are member of the SMART Centre Group and have a kind of a franchise model. The host organisation of the SMART Centre Group is the social enterprise MetaMeta based in Wageningen and Den Bosch (www.metameta.nl).
